Dear Parents,

## **Arrangements for the Education of Key Workers/Vulnerable Children**

Following on from my earlier letter, I would like to outline the arrangements we are making for the education of the children of Key Workers/vulnerable children.

For those of you who have confirmed with your employer that you have key worker status and advised us that your child will be attending, we will be open from 7.30am to 6.00pm as usual. Please be mindful of the Government's advice to only send your child to school if absolutely necessary.

Children will be supervised by Teaching Assistants whilst accessing their 'Fairstead From Home' learning from 9.00am to 4.00pm. Children should come to school in their normal school uniform and bring their PE kits with them, including trainers. All meals will be provided as usual.

Finally – and most importantly- please remember that the current stringent health and hygiene rules apply. Pupils with coronavirus symptoms must self-isolate in accordance with Government advice and not come to school. To keep the whole community safe, hands must be washed regularly and school will continue to be sanitised nightly.

Yours sincerely,
