Dear Parents

CORONAVIRUS UPDATE

Thank you once again for your continued support and patience whilst both pupils and staff come to grips with our online learning. As a fellow Head told his school, we must learn to 'digitally walk before we can digitally run'.

In order for us to staff appropriately and, specifically, to ensure that staff do not come to school unless they absolutely have to, please may families, both in Nursery and School (who are both front line Key Workers), let us know if you would like your child to come in by 5.00pm the day before at the latest.

To book your child into Nursery, School or Holiday Club, please contact Saskia Ouwendijk on registrar@fairsteadhouse.co.uk only. Please do not telephone the School Office or contact the Nursery directly.

Following on from our Prime Minister's address to the nation last night, I am sure that you appreciate how important it is that we keep staffing levels to a minimum for everyone's protection.

I will continue to keep you updated on a daily basis and, once again, I recommend that you visit the coronavirus page on our website for our daily updates.

With best wishes to you and your families,

A handwritten signature in blue ink that reads "Lynda Brereton".
